## **Langebæk appoints new Partner**

*Langebæk is pleased to announce the appointment of Peter Landenberg, currently CEO of the Swedish division, Langebæk Consulting AB, as a new partner.*

Peter Landenberg joined Langebæk Consulting AB in 2018 as the first Swedish employee, playing a pivotal role in establishing the company's presence in Sweden. Likewise, Peter was instrumental in building the new unit, initially based in Västerås and later successfully moved to Örebro.

Since joining, Peter has led major projects for clients such as Coop, Ahlsell, PostNord, and Oriola. His extensive experience across various industries has been invaluable to Langebæk's growth and success in a significant geographical market.

In 2021, Peter succeeded Anders Bartholin as CEO of the Swedish branch. Under his leadership, Langebæk Consulting AB has thrived, culminating in the opening of a second office in Stockholm in 2024. The Swedish team now comprises 12 employees, with plans for further growth.

Peter's addition to the partner group marks an exciting new chapter for Langebæk.

*- "Peter's leadership and dedication have been, and will continue to be, vital to our success in Sweden and beyond. With Peter's entry into the group, I look forward to a strengthened Langebæk,"* says Peter Gyldendal, CEO of Langebæk A/S.

The partner group now includes Peter Gyldendal, Lars Bek Jensen, Anders Bartholin, Christoph Ohly, and Peter Landenberg. Alongside the rest of the management, including Martin Schultz, CEO of Langebæk Consulting AS, and Directors Lars Dam Kristensen, Rudi Kjeldsen, Morten Badsberg, and Peter Lamp Sørensen, the management group is well-positioned to drive Langebæk forward, ensuring continued success and innovation.

We congratulate Peter Landenberg on his new role as Partner and look forward to his continued contributions.

### **About Langebæk**

Founded in 1977, Langebæk is a consultancy within Logistics and SCM. The company employs over 45 people across Scandinavian offices; headquartered in Allerød, Denmark, and branches in Örebro and Stockholm, Sweden, and Oslo, Norway.
